ABRAPLATA CONFIRMS CHANGE OF AUDITORS IN CONNECTION WITH REVERSE TAKEOVER

Vancouver, British Columbia – May 5, 2017, - AbraPlata Resource Corp. TSX.V:ABRA ("AbraPlata" or the "Company") confirms that, as previously disclosed in the Company's Filing Statement dated March 1, 2017, and in connection with the completion of its reverse takeover of Huayra Minerals Corp. ("Huayra"), the Company has changed its auditors from Saturna Group Chartered Professional Accounts LLP (the "Former Auditors") to Crowe Mackay, LLP (the "Successor Auditors" and together with the Former Auditors, the "Auditors"). The Successor Auditors are also the incumbent auditors of Huayra.

At the request of the Company, the Former Auditors resigned as auditors of the Company and the board of directors of the Company appointed the Successor Auditors as the Company's auditors until the next Annual General Meeting of the Company, scheduled for June 6, 2017 at which the Company's shareholders will be asked to vote in favour of the re-appointment of the Successor Auditors as the auditors of the Company.

There were no reservations in the Former Auditors' reports in connection with the most recently completed fiscal year (2016) or for any period subsequent to the most recently completed period for which an audit report was issued preceding the date of the Former Auditors' resignation. There are no "reportable events" (as that term is defined in National Instrument 51-102 *Continuous Disclosure Obligations*) between the Company and the Former Auditors.
